LIFETIME
WARRANTY

Lifetime Warranty

on glass surfaces

Nagas products undergo a strict quality control; we therefore give a lifetime warranty on all board surfaces in glass. The guarantee does not apply in case of misuse, improper use or other uses than as board mounted indoor on walls. The warranty can only be honored if the customer can show the original receipt. The customer must return the defect board to NAGA, who freely can exchange the board to a new, or refund the sales price. In addition to above, applies the customer*s statutory right of complaint.

Danish design for your workplace

The range of NAGA business is big size and mobile glass boards specially developed for use in offices, meeting rooms, hotels, conference centers a.o..

For larger projects, we can offer customized sizes, shapes and colors for your needs.

Magnetic glass board with write on/wipe off function

NAGA magnetic glass board is the modern version of a whiteboard. It has the same features, and is at the same time a decorative element.

You can write on the board with a chalk marker or with a regular whiteboard marker. Once the text has dried, you can easily wipe the board clean with a chalkboard eraser, or a dry cloth. You can also stick various accessories onto the board with super strong magnets. Naga glass boards are available in different sizes and in a variety of colours.

Please note!
You can only use Super Strong Magnets on your magnetic glass board.

Mobile glass board

Magnetic

With write on/wipe off function

PURE White with a black metal stand.

The board can be used with magnets or a marker for write on/wipe off function.

NAGA mobile glass board is a multi-functional board.

There are wheels under the board so it can be easily moved and reversed.

There is a glass board on the both sides and a built-in pen tray.

There is a room for storage on one side and a small decorative additional glass board on the other side of the board.

All the three glass boards on this mobile board are magnetic and have the same write on/wipe off function as all other NAGA glass boards.

The mobile board can also be used as a separation between 2 workspaces.

There is also an option to use flipchart on this mobile board.

Flip chart holder can be purchased separately.

11150 Magnetic Mobile glass board width 58 cm. Depth 50 cm. Height 195 cm.
Glass board size 58 x 120 cm. small glass board size 58 x 33,5 cm.

- 10002 150 x 120 cm. *

* Designed to hang horizontally or vertically.

** Incl. 1 marker and 2 Super strong magnets.

PURE WHITE

PURE White or optical white glass is Low-Iron Glass allowing non tinted transmission through the glass of the white paint finish on the back. Low Iron glass is optically absolutely clear due to the reduced iron content. Due to iron mineral traces the standard glass obtains its green appearance. Casual green appearance of the glass has been eliminated in a special process, leaving the glass white and clear. Therefore you should choose PURE White glass boards if you want PURE Brilliant White finish.

Magnetic glass board Black

With write on/wipe off function

The standard offer of our range

Magnetic glass projection board

200 x 120 cm. with write on/wipe off function

Glass magnet board for projection.
An elegant board which can be used in
offices, conference rooms and classes.

The matt surface reduces reflection from the projector,
while maintaining the function of the board.
The board is magnetic, can be used with super strong magnets.
You can write on the board with chalk markers or
whiteboard markers, and it is easy to wipe off again.
